1. If I have a problem with my manager and can't resolve it by talking to them, I know what to do and how to go about getting the problem resolved.

Agree

Maybe

Disagree

2. My manager second-guesses my every decision and I often feel like I am being 'micromanaged'.

Agree

Maybe

Disagree

3. My manager gives me the tools I need to succeed and trusts me to do my job the best way I know how.

Agree

Maybe

Disagree

4. The entrepreneurial spirit is alive here, so the best idea matters more than the title of the person who came up with it.

Agree

Maybe

Disagree

5. I am paid based on the time I spend on the job, rather than the actual results I produce.

Agree

Maybe

Disagree

6. At work, employees are made to feel like they are important and that the work they do matters.

Agree

Maybe

Disagree

7. My company's core values are embodied and displayed by most people who work here.

Agree

Maybe

Disagree

8. I feel I'm being paid a fair salary/wage.

Agree

Maybe

Disagree

9. My manager disciplines employees who don't honor the company values, and recognizes and rewards those who do.

Agree

Maybe

Disagree

10. My company encourages the continuous, open sharing of ideas—everyone has a voice.
